Date: 22 January 2008

Purity of Paper	
Company :	Smurfit Kappa Sheetfeeding
Product contained in :	Corrugated Fibreboard Sheet

We hereby declare that those papers produced by Smurfit Kappa mills which are used for the production of the corrugated packaging produced by Smurfit Kappa Sheetfeeding (corrugated) plant complies with purity, organoleptic inertness and no transfer of antimicrobial product specifications as laid down in the following regulations:

- **Regulation 1935/2004** of Council and European Parliament on 27-10-2004.
- **Resolution AP (2002)1** : Paper and Board - Material and articles intended to come into contact with foodstuff.
- **German recommendation BfR XXXVI** on papers and boards intended to come into contact with foodstuffs ("Deutschen Empfehlung XXXVI zur gesundheitlichen Beurteilung von Kunststoffen im Rahmen des Lebensmittel- und Bedarfsgegenstände-gesetzes, 34. Mitteilung, Bundesgesundheitsblatt 10, 14 (1967), einschließlic 206. Mitteilung, Bundesgesundheitsblatt 46, 444 (2003), stand vom 1.2.2005. »).
- **French Decree n° 92/631** relating to material and objects intended to come into contact with foodstuffs, products and beverages for human or animal food, completed by the guide for Good Manufacturing Practice of papers and boards and converted paper and board articles intended for food contact use ("Guide de Bonnes Pratiques pour la fabrication des papiers et cartons et des articles transformés en papier et carton destinés au contact des denrées alimentaires" BPF) and completed by the Information Note n° 2004-64 of a department (DGCCRF) of the French ministry for Economy, Finance and Industry.

We declare that Smurfit Kappa Sheetfeeding has implemented a management system for the safety of packaging intended to be in contact with foodstuff (BRC/IOP), in compliance with the requirements of Regulation 1935/2004/EC and Resolution AP(2002)1 both relating to material and objects intended to come into contact with foodstuffs. The Plants are BRC/IOP certified under the following references:

Windrush: Registration number QAICL/UK/BRC/155 (certificate issued 2/02/07).

Norwich: Registration number QAIC/UK/BRC/262 (certificate issued 28/12/07).

This allows us to state that the corrugated fibreboard produced by Smurfit Kappa Sheetfeeding complies with the framework regulation 1935/2004/EC and can be used safely for food packaging. Corrugated fibreboard manufactured by Smurfit Kappa Sheetfeeding can be used in indirect food contact applications, provided that the primary packaging constitutes a functional barrier.

A handwritten signature in dark ink, appearing to read 'Phil Davidson'.
